

How To Use THE MOBILITY MAP

1. Go to www.mobilityblueprint.com.

2. Click on **“Map”** from the toolbar.

3. Log in or create an account.

Or continue as Guest:

Username: **Guest**

Password: **Guest1#**

Once you are in the Map, there are 3 ways to search for housing.

1. Input any address.

2. Click anywhere on the Map.

3. Select School to view a list of all Austin ISD schools.

To look for another address or school zone, you must choose **Clear Search**.

Once you choose a school zone, you will see the elementary school first.

Click on Apartments or Duplexes to view rental properties in the school zone.

The colored dot shows where the **school** is located.

The yellow drops show **apartments with NO current vacancies**.

The yellow square shows **apartments with vacancies**.

Drops or squares with a **black dot** show apartments with **assistance**.

Click on Duplexes.

Duplexes will show as **green dots**.

The **elementary school zone** will always show first. Click on the boxes to view the **middle school** and/or **high school zones**.

View apartments and duplexes in one school zone at a time.

ELEM = elementary zone

MS = middle school zone

HS = high school zone

Print a list of all properties in the zone by clicking **Apt List** or **Dupl List**.
